REVIEWS

DJ Kevin Evans did our wedding and he was absolutely exceptional. We had high demands placed on him with songs for every detail of our day, and he was on the ball and delivered without a hitch. He is so easy to work with, and such a positive presence. We had so many compliments on our DJ!

DJ Kevin Evans was amazing! He made sure everything ran smoothly and checked on us throughout the night to make sure everything was going as planned. We did not have to worry about the music at all throughout the planning process.
KATIE M - 2019 (Via Wedding Wire)

We had DJ Kevin Evans as our DJ for my wedding. To say he was amazing doesn't do justice! Without his awesome DJ skills our wedding wouldn't have been the same!
EMILY - 2019 (Via Wedding Wire)

Kevin was the absolute best DJ we have ever heard at a wedding. It's been 4 months since our day and we still have guests telling us how great the music was.

DJ Kevin was extremely helpful leading up to our big day. He listened to the type of music we wanted and the vibe we were trying to get across. He was super helpful in getting our first dance songs down to more reasonable lengths (they sounded amazing and no one knew they had been shortened!). During the day he checked in with myself and my husband to make sure the event was going as we had planned. Has instrumental in keeping the evening on track timing wise. Our entire wedding was made perfect by DJ Kevin. I cannot recommend him enough! - KAITLYN F - 2018 (Wedding Wire)

My husband and I first experienced DJ Kevin Evans at a friends wedding. When we got engaged the decision on who would be our DJ was easy- Kevin Evans. As Fate would have it, he was available. Every planning session was a joy. We loved collaborating with him and sharing stories. The day was obviously amazing. DJ Kevin Evans felt like a long time family friend as our MC and created an amazing dance party for us. We cannot wait to attend our next event and party with Kevin Evans again. - CARLY - 2022 (Google)
